

# 2010 ADVOCACY DAY

Wednesday, March 3, 2010

## Have you told your story to your legislators?

Learn advocacy tips and how to talk to your legislators - then meet face to face with your elected officials and tell them how cuts to Medicaid will impact you, your loved ones or the seniors you care for. We need your help to ensure that New York state does not balance the budget on the backs of seniors and their caregivers.
